

Submitting Presentations in MyMediasite

1. Publish your media to MyMediasite, wait for it to become ready, and confirm that it plays properly.
2. To submit the video, click on the presentation title to open its Summary page and then click the “Copy To” tab:

3. Click the “Destination Folder” drop down to show the list of available folders:

4. Click your course name.
5. Click the blue “Copy” button in the top right corner.
6. The details will appear under “Pending Copies”.
7. The server will process your request and the video will become available to your instructor.
8. You may close the web browser window.
